MESSAGE FROM THE PRESIDENT

JOSIE YOUNG

Russell Construction of Alabama
2026 GMHBA President

As we begin 2026, I am honored to serve as President of the Greater Montgomery Homebuilders Association and grateful for the trust placed in me by this membership. Our association has long been defined by professionalism, craftsmanship, and a shared commitment to strengthening the communities we serve. To step into this role—following the many capable leaders who came before me and as only the second woman to serve as President—is both humbling and motivating.

In the year ahead, my focus will be centered on connection. A strong association is one in which every member feels represented, heard, and valued. We serve a broad and diverse region, and it is essential that our presence and engagement extend beyond any single city or market. By showing up consistently across all the communities we represent, we can continue to grow our membership and ensure that the Association reflects the full strength of our industry—builders, trade partners, and associates alike.

Equally important is our responsibility to address workforce development. The challenges facing our industry are well known, and they will not be solved without intentional effort. We must invest in developing the next generation of skilled professionals by supporting education, training, and career pathways that make our industry both accessible and attractive. The future of homebuilding depends on the talent we cultivate today, and the Association has a critical role to play in that effort.

As we look forward, we must also strike a thoughtful balance between progress and tradition. Our young professionals bring energy, innovation, and new perspectives that will help carry this Association forward. At the same time, the experience, knowledge, and leadership of those who built this organization remain invaluable. When we intentionally blend fresh ideas with proven wisdom, we create continuity—and continuity is what ensures long-term success.

I would be remiss not to acknowledge the outstanding leadership of our immediate past President, William Rhodes. His dedication and steady guidance have positioned us well for the year ahead, and I am sincerely thankful for his service. I look forward to building upon that foundation as we work together in 2026. I am confident that, through collaboration and shared purpose, we will continue to strengthen our Association and the industry we are proud to serve.

SCHOLARSHIP

PROFESSIONAL WOMEN IN BUILDING

Do you know someone attending a 4 Year University or Vocational School to study a construction or building related subject? Apply for the GMHBA's Professional Women in Building Scholarship.

The deadline to enter is April 20, 2026.

Call the GMHBA (334) 277-7766 for more information or visit our website gmhba.org

MESSAGE FROM THE EXECUTIVE OFFICER

ANGELA ALLEN

GMHBA Executive Officer

Building Momentum for 2026

As we kick off 2026, I'm excited to serve under the leadership of President Josie Young—only the second female president in GMHBA history, and the first I've worked alongside in my 22 years with the association. We have a strong year ahead, and I want to share a quick update on one of our most important priorities: Workforce Development.

RIVER REGION HOMEBUILDING ACADEMY

We've been fortunate to learn from the Huntsville Association of Home Builders and their highly successful North Alabama HomeBuilding Academy model. Their team is working directly with us as we develop our own local program: the River Region Homebuilding Academy.

NAHA's mission is simple and effective—hands-on, short-term training to prepare individuals for careers in residential construction. The program is free for participants who are 17+, legally able to work in the U.S., and who pass a drug screening. Our members will hear more soon, including ways to volunteer through committees, serve as instructors, and help raise funds and awareness.

STUDENT CHAPTERS HEADED TO IBS

We are also proud to have two student chapter teams competing at the International Builders' Show in February in Orlando:

- **Tuskegee University** – Custom Home Division
- **Auburn University** – Production Build Division

These students have worked for months, and we can't wait to cheer them on. Special thanks to the members who have helped them prepare: Knox Newell, Sara Heatherly, William Rhodes, Max Vaughn, and Ben Lassiter. Thank you for the time, energy, and expertise you've poured into these students—we are incredibly grateful.

Traveling to IBS is no small undertaking, and the costs can be significant. If you would like to help sponsor one of our student teams, donations can be made via Venmo @GMHBA1. Please be sure to note which school you are supporting. Any contribution, no matter the size, is greatly appreciated.

HBAA WINTER MEETINGS—RIGHT HERE IN MONTGOMERY

Mark your calendars for the HBAA Winter Meetings, February 10–11, at the Embassy Suites in Montgomery. As a GMHBA member, you're also a member of HBAA—this is a great chance to plug into state meetings and network. Bonus: Auburn's team will give a mock presentation on Tuesday, February 10 at 12:00 p.m. We would love for our membership to come out, show support, and send them off to Orlando with encouragement. Registration and meeting details can be found at hbaa.org.

LOOKING AHEAD

We'll continue working in area high schools to promote skilled trades, and I'm excited for Doug Fuhrman to lead our Workforce Development Council this year. If you'd like to get involved, please reach out to me.

Here's to a productive, meaningful year—I can't wait to see what GMHBA accomplishes together in 2026.

Member Built – *a featured home by* *Mathews Development Company*

“Thoughtful design
and exceptional
lakefront living
come together
in this beautifully
crafted Jim Mathews
Builder home.”

This Jim Mathews Builder home was completed in September and is located in Miners Cove and showcases thoughtful design and exceptional lakefront living. The home features 5 bedrooms, including three on the main level, and 4.5 bathrooms. An office on the main floor and a spacious bonus room over the garage provide flexible living and work spaces.

With 3,667 square feet of heated and cooled living space, the home is designed to maximize comfort and views. A 40-foot covered porch spans the back of the home, where blue stone flooring flows seamlessly

from the screened porch and extends an additional 14 feet, creating a generous outdoor living area. Thanks to its unique point lot, every room in the home enjoys a stunning view of the lake.

Inside, dark-stained cedar beams anchor the great room and dining area, while dormer windows fill the soaring 22-foot ceilings with natural light. Visual Comfort lighting is used throughout the home, featuring elegant gold and bronze tones that add warmth and sophistication.

The kitchen is finished with warm colors,

highlighted by decorative sconces and quartz surfaces. KitchenAid appliances, supplied by Cohens, complete the space. The home was fully furnished by CMathews Designs, offering a cohesive and inviting interior for the buyers.

The back porch includes electric shades across three openings, allowing the covered porch to function as a true outdoor room and providing year-round enjoyment. Two stone fireplaces—one in the main living area and one on the porch—add character, depth, and comfort to both indoor and outdoor spaces.

This floor plan, The Brentwood, will be built again in Phase 4 of Miners Cove and is scheduled for completion in late summer 2026. Jim Mathews Builder has a dedicated, licensed builder at Lake Martin, with three homes currently under construction for sale and two custom homes underway for private clients.

Virginia Pettus with Aronov Realty, 334-549-3933, can provide additional information on the plans we will be building and the few remaining lots available. Miners Cove is located on

the north end of Lake Martin in The Jackson Gap area and is less than 2 miles off of Highway 280. Here is the link to the neighborhood..... <https://minerscovelakemartin.com/>. Additional information on Jim Mathews Builder can be obtained by calling 334-717-4380 or visiting their website at: www.jimmathewsbuilder.com.

GMHBA's 75th Anniversary Installation Dinner

The Greater Montgomery Home Builders Association celebrated a milestone moment by hosting its 75th Anniversary Installation Dinner on December 5 at the Montgomery Performing Arts Center. The evening honored industry excellence, leadership, and commitment to the association, recognizing the following award recipients for their outstanding contributions to GMHBA and the home building industry.

HBAA Member Benefits

It pays to be a member!

**HOME BUILDERS
ASSOCIATION OF ALABAMA**

In addition to benefits at the local and national levels, your HBA membership includes access to member benefits from the Home Builders Association of Alabama.

Here are just a few of the many benefits that can help you save money and build your business!

BUILDERS HEALTH TRUST

Health Insurance

Affordable health care coverage is within reach with our health insurance program offered exclusively to current HBAA members and their employees.

Featuring competitive rates and fewer out-of-pocket expenses, the program includes multiple health plans with Blue Cross Blue Shield, as well as dental plans and vision coverage options.

Visit www.buildershealthtrust.com to learn more about plan options and how you can enroll.

Member Rebate Program

Exclusively for HBAA builder and remodeler members, our Member Rebate Program lets you earn money back on products you're probably already using on the jobsite. The program includes rebates from manufacturers such as Carrier, ClosetMaid, Delta Faucets, and many more.

There's no paperwork to keep track of--simply register online and then file online for your rebate quarterly. To learn more and to sign up, visit www.hbarebates.com/hbaa.html.

Builders Risk Insurance

The Home Builders Association Builders Risk Program is available to residential builders and remodelers who are HBA members in good standing. Coverage may be purchased through appointed agencies who are also HBA members.

For more information about the program, visit www.HBABuildersRisk.com or contact Helmut Mundt at 855-442-2467 or helmut@hmia.com.

HotelPlanner Travel Savings

HBAA members can save up to 65% off room rates at over 800,000 lodging options worldwide. Plus, members can source and book group lodging for company events, as well personal needs like weddings and family reunions. Visit www.hbaa.hotelplanner.com to save now!

**Alabama Home Builders
SELF INSURERS FUND**

The Alabama Home Builders Self Insurers Fund provides workers comp coverage exclusively to qualifying HBAA members.

The Fund offers competitive rates, payment plan options including online and over-the-phone payments, Safety Services including safety training to help you maintain a safe jobsite, and more.

To find a broker near you, contact the Alabama Home Builders Self Insurers Fund at 1-800-745-3863 or visit www.AHBFund.com.

For more information on all the benefits offered to HBAA members, visit www.HBAA.org

GMHBA Wins HBAA President's Trophy for Second Straight Year

The Greater Montgomery Home Builders Association (GMHBA), under the leadership of President William Rhodes, has once again been recognized as one of the top home builder associations in the state—earning the Home Builders Association of Alabama (HBAA) President's Trophy for Large Association for the second year in a row.

This award is a meaningful reflection of the dedication, leadership, and involvement of GMHBA members who consistently go above and beyond to strengthen the building industry and support the communities we serve. Winning back-to-back is no small achievement—it speaks to

a sustained commitment to excellence and service.

Even more impressive, this marks the eighth win in the past ten years for GMHBA—an outstanding record that highlights the association's long-standing momentum, teamwork, and strong member engagement.

GMHBA is proud of this recognition and grateful for the members who make accomplishments like this possible. The President's Trophy is not just an award—it's a tribute to the hard work of the men and women who represent GMHBA and the homebuilding profession with pride.

GMHBA mourns the loss of two longtime members

JAMES ARNOLD COSTON

*March 6, 1946 —
November 3, 2025*

James Arnold Coston, a beloved husband, father, grandfather, and longtime partner of the building community passed away on November 3,

2025, at the age of 79. He will be remembered for a life defined by dedication—to his family, his faith, and to his work.

Born March 6, 1946, James moved to Montgomery in 1967 and began his plumbing career with Vaughn Plumbing. In 1975, he opened Coston Plumbing and became a respected Master Plumber. Known for integrity and dependable service, he built a business trusted by homeowners and by the homebuilding industry, while also sharing his passion for the trade with his children and grandson.

James was a valued member of the Greater Montgomery Home Builders Association for nearly 30 years, and our builders relied on Mr. Coston and Coston Plumbing for decades of quality work. He will be remembered throughout our membership as a steady, trusted partner whose craftsmanship and professionalism strengthened countless projects across our community.

James was also a devoted member of Murphy's Chapel Church in the Needmore community, where he contributed to the life of those around him. He is survived by his wife, Brenda Coston; his children and their families; his grandchildren and great-grandchildren; his brother, John Thomas Coston; his sister, Mary Coston Helms; and many extended family members. GMHBA extends heartfelt condolences to all who loved him. His legacy will be remembered with gratitude and respect.

LANIER BRANCH

*April 1, 1944 —
November 25, 2025*

Lanier Branch, a respected attorney, longtime member of the Greater Montgomery Home Builders Association, and trusted partner to the homebuilding community, passed away on

November 25, 2025, at the age of 81. He will be remembered for his professional excellence, sharp wit, and deep commitment to those he served.

Born April 1, 1944, Lanier graduated from Sidney Lanier High School, where he played halfback and helped lead the Poets to a State Championship. He went on to earn degrees from the University of Alabama and the University of Alabama School of Law, later serving as a Captain in the United States Army in South Korea.

For more than 50 years, Lanier served the River Region's legal community with distinction, most notably through his real estate closing firm, Lanier Branch, P.C. For nearly 20 years, he was a valued member of GMHBA, supporting our Association and working closely with builders who respected his knowledge, professionalism, and personable approach.

Lanier's life extended well beyond his legal career. Known for his humor and charisma, he enjoyed tennis, golf, art, history, and design. A self-taught architect at heart, he continued creating and imagining—even breaking ground on what he proudly called his final and most beautiful home at age 80.

The Greater Montgomery Home Builders Association honors Lanier's memory and extends heartfelt condolences to his family and all who loved him.
