THE 2025 GMHBA IDEAL HOME

Welcome to the Haywood Cottage, a timeless Southern-inspired retreat and the featured showcase home in the heart of Kinsley, built by Russell Construction in collaboration with Lowder New Homes. Thoughtfully designed and expertly crafted, this home offers the perfect blend of charm, sophistication, and lakefront tranquility.

Overlooking the peaceful waters of Lake McDade, the Haywood Cottage embraces relaxed luxury with refined finishes, open-concept living, and inviting indoor-outdoor spaces. From the welcoming front porch to the carefully curated interiors, every detail has been considered to reflect the best of lakeside living.

Highlights include a spacious great room filled with natural light, a gourmet kitchen with premium appliances and designer touches, and a serene primary suite built for comfort. The outdoor living space is ideal for morning coffee, evening wine, and taking in the beauty of the lake just steps away.

Don't miss your chance to tour this one-of-a-kind home that perfectly captures the vision of Kinsley. The Haywood Cottage is not just a home, it's a statement of place, craftsmanship, and peaceful living.
